I HATE/I LOVE

I'm thankful I was able to make my debut with this manga. At first, I didn't even know what to write for the plot. I just sent a puzzled script and made my editor agape in awe. "I heard recently there's such a thing as a "less-friend" between men! Such immature, impulsive and destructive parts of high schooler... I like it! Teenagers are surely dazzling like glass marbles."

I have acquired various information since Kiriya was set to work as a host. It somehow went well, thanks to all the things I wasn't expected to be... (laughs) It was really a difficult process, but I'm glad I could draw those two. Kiriya would probably develop the erotic parts of Hiro's body from now on.

No where, Now here

The production process of this couple was also difficult no less.

I wanted to draw something nostalgic between two people who grow up together and then were separated and changed which now I'm so ashamed to tell- I to you now. At that time, I kept wondering to myself what is "love" while type down on google "what is love?"

The prefecture where this manga takes place is not the place where I come from, but the scenery background on this manga based on photos I took in my home-town, the bicycle shop called TsuOmo... it really brings the memories back to me. During the serialization, my editor Mr. F. always told me wise words and those words helped enlighten me.

Kiriya and Akaya are good friends from high school. When they are together they make a pair of huge and tall guys. Cute.

Hello everyone, I am Natsume Kazuki. Thank you for buying my comic. I cannot believe I have released my first comic, but I'm really grateful because this was released in this comic for you to read. I could write everything because of my editor, Muti, who was always there for me. I would be really happy if you could enjoy this, even if only a little. Thank you to my family, friends, editorial department and you!

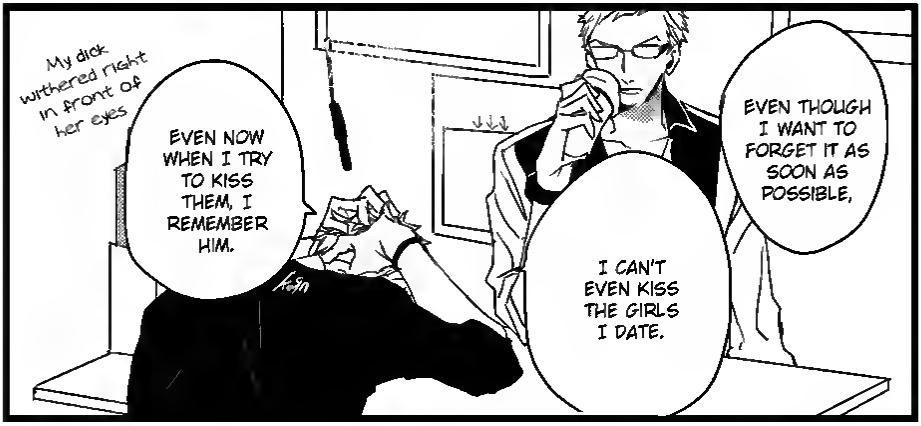
YOU'RE AN IDIOT, AREN'T YOU?
I'm asking for advice!
DON'T YOU HAVE ANY SYMPATHY FOR MY FEELINGS?!
Did you know? If you remain a virgin until you're 30 you'll be able to use magic. That's coming soon for you, huh?

HE'S THE ONLY ONE MAKING SUCH A COMPOSED FACE.
I DON'T FEEL CALM AT ALL.

BUT, WELL...
EVEN IF YOU'RE REUNITED WITH THE SOURCE OF YOUR TRAUMA, WE'RE JUST DOING SOME WORK FOR HIM, RIGHT?
ANY FEELINGS LEFT SHOULD BE COOLED OFF BY NOW.



My dick withered right in front of her eyes
EVEN NOW WHEN I TRY TO KISS THEM, I REMEMBER HIM.
EVEN THOUGH I WANT TO FORGET IT AS SOON AS POSSIBLE,
I CAN'T EVEN KISS THE GIRLS I DATE.

.....
"WHY", YOU ASK...

IF THAT'S THE CASE,
THEN WHY DIDN'T YOU REFUSE HIM BACK IN HIGH SCHOOL?
